MARQUIS BANK COMPLETES SUCCESSFUL CAPITAL RAISE

North Miami Beach, Fla. – Javier J. Holtz, chairman and CEO of North Miami Beach-based Marquis Bank, has announced the Bank has successfully raised \$7.2 million in capital from a small number of South Florida based strategic investors. As a result of the additional capital infusion, the Bank now has over \$21 million in Tier 1 capital. This gives Marquis total risk-based capital, Tier 1 risk-based capital and Tier 1 leverage capital ratios of 47.1%, 46.1% and 35.8% respectively, exceeding the regulatory requirement of 10%, 6% and 5% for well capitalized institutions.

“We are pleased to have been able to raise capital during these challenging economic times and it clearly speaks to the sound condition of the Bank as well as our business plan and prospects going forward,” said Holtz. “We will carefully deploy this capital to expand operations and pursue growth opportunities in our market.”

As of March 31, 2010, Marquis Bank reported total assets of \$56.9 million, up from \$52 million as of year-end 2009. Additionally, the Bank has experienced solid growth since the end of the first quarter with total assets of \$67 million as of May 31, 2010.
