

Make your business deposits conveniently from your desk with Remote Deposit Capture.

Remote Deposit Capture is ideal for your business if you:

- Want to have faster access to funds
- Have multiple locations
- Make deposits after normal banking hours or on weekends
- Pay courier fees to deliver deposits to the bank
- Receive checks with large dollar amounts

With Marquis Bank's Remote Deposit Capture, you can:

- Have faster access to funds by depositing checks quickly.*
- Enjoy the convenience of making deposits 24 hours a day, 365 days a year.
- Streamline your cash flow by consolidating funds from several remote locations into one bank.
- Increase accuracy and efficiency with automatic deposit preparation and secure internet delivery.
- Be confident that multiple layers of security are protecting your electronic deposits.
- Reduce costs by eliminating courier costs or employee trips to the financial institution.
- Improve end of month/quarter processing by posting checks received on the last day of the month or quarter in the same period.
- Minimize fraud by starting the collection process sooner.

How it works – three simple steps

1. Scan Checks

The scanner, which is connected to your PC and the Internet, captures the front and back of each check, including the MICR information and dollar amounts.

2. Prepare Deposit

Checks are totaled, balanced and a virtual electronic deposit ticket is prepared for your approval.

3. Submit Deposit

All check images are electronically sent to Marquis Bank and deposited into your account.

All you need is a computer with high speed Internet connection and a Marquis Bank business account. Increase your efficiency and productivity with Remote Deposit Capture.
